This quick reference guide walks through the steps of searching for a Provider. There are multiple ways to search for a Provider.

1. From the **Program Name** drop-down list, select the program.

Note: The **Program Name** field is mandatory, and only one program can be selected at a time.

The screenshot shows the 'Provider Search' interface. At the top, there's a note: 'Note: A percent (%) symbol can be used as a wildcard to search if the exact Provider Name is not known or the City may have a different spelling (such as St Louis or Saint Louis)'. The 'Program Name' dropdown is highlighted with a red box, showing a list of options: DCMWC, DEEOIC, and DFEC. Below the dropdown, there are fields for 'First Name', 'Provider Type', and 'City'. This field allows users to search all programs for active providers or providers who have submitted bills in the last 12 or 24 month. **The Active Billing (Any Program) In field is mandatory.**
