This is a guide for providers that are not registered on the portal and their license has expired.

**Scenario:** Provider is **NOT** registered on the portal but is terminated due to license expiration.

## Steps to complete registration

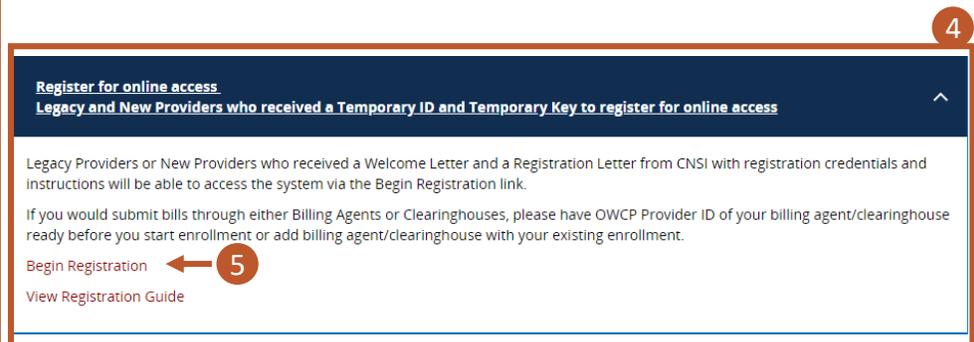

Before you can update your license via the Provider Portal, you must first register. Follow the following steps to register and update your license via the Provider Portal.

1. Use the following link to access the WCMBP Portal  
<https://owcpmed.dol.gov>.
2. Select the **Provider** menu drop-down.
3. Select the **Get Started** link.

4. On the Get Started page, select the **Register for online access** blue drop-down box.
5. Select the **Begin registration** link.

**Note:** This registration link will begin the OWCP Connect registration process. This registration process is required before first accessing the Provider Portal.

6. On the OWCP Connect home page, select the **here** hyperlink to begin the OWCP Connect Account Registration process.

7. Complete the required fields and steps of the Account Registration process.
