

Explanation of Benefits Number

Quick Reference Guide

Explanation of Benefits (EOB) Numbers

Providers can use this Quick Reference Guide to find additional steps and resources to review and rectify EOB bill denials.

How to use the reference guide:

- 1) On the next page, select an EOB Number link to be redirected to the specific EOB information page within this guide. The specific EOB information page shows:
 - The EOB description seen on the OWCP Remittance Voucher (RV)
 - Additional steps to clarify the EOB verbiage along with links to tips, tutorials, and guides
- 2) Select the Return to EOB List link at the bottom right corner of the page to return to the EOB Number menu.

EOB NUMBER

EOB DESCRIPTION

Claim/service lacks information or has submission/billing error(s):
Missing/incomplete/invalid treatment authorization code and diagnosis on the claim/service is not related to the claimant's accepted condition.

ADDITIONAL STEPS

The bill was submitted with a diagnosis code not accepted for the claimant's injury, authorization is not on file for the surgery procedure code for the date of service submitted on the bill, or both.

Log in to the [WCMBP Portal](#) to check the claimant's eligibility using the billed diagnosis code and procedure code to ensure they are covered for the date of service and the claimant. If the diagnosis code and procedure code are covered for the claimant, resubmit the bill for reconsideration. Also, if the service requires authorization, make sure authorization is on file for the surgical procedure code.

EOB DESCRIPTION

National Provider Identifier - Incomplete/invalid billing provider identifier.

ADDITIONAL STEPS

This EOB denial is specific to the DFEC, DEEOIC, and DCMWC programs.

The billing provider national provider identifier (NPI) submitted on the bill does not match the NPI on the provider file. When billing for services provided to injured or ill workers for the Office of Workers' Compensation Programs, an NPI number must be included on the submitted bill and match the NPI on your provider file. Resubmit the bill with the correct billing provider NPI.

Note: If the NPI listed on your bill is not found on your provider file, you will need to update your provider file to include the correct NPI.

Refer to the following instructions on how to update the NPI to your provider file:

[Updating Provider Information in the Provider Portal](#)
