- How to submit the Carrier Reimbursement Template

#### Overview

The Carrier Reimbursement Template is used by Providers enrolled with DFEC, DEEOIC and DCMWC programs under Provider Type 95 to submit bills. This template is used by healthcare insurance carriers and other fee-for-service health plans seeking reimbursement for claims related to an existing workers' compensation claims.

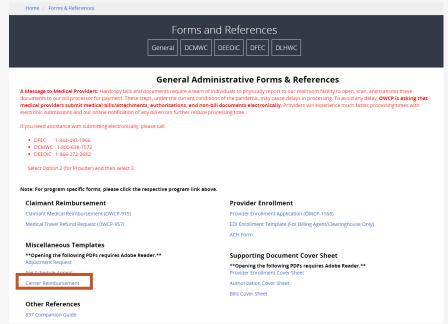

The Carrier Reimbursement Template can be found on the Medical Bill Processing Portal under Resources-Forms & References. The original HCFA1500 also known as OWCP 1500 for professional services, and/or the original UB04 also known as OWCP 04 for Inpatient or Outpatient services as well as any other supporting documentation required by OWCP or program policy, must be attached to the submitted Carrier Reimbursement Template.

If the completed Carrier Reimbursement Template is received without the required attachments, the submitted completed template will be returned to the carrier, using the Returned to Provider (RTP) processing structure.

# Accessing the Carrier Reimbursement Template

On the Medical Bill Processing Portal <a href="https://owcpmed.dol.gov/portal/">https://owcpmed.dol.gov/portal/</a>, the Carrier Reimbursement Template can be accessed under Resources - General - Forms & References, under the "Miscellaneous Templates" category.

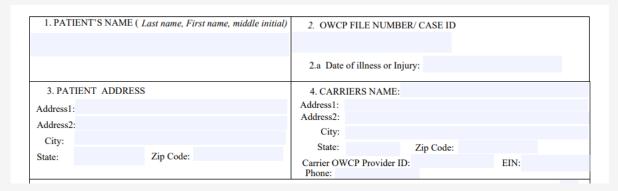

### Carrier Reimbursement Template

This template should only be used by Providers enrolled under Provider Type 95 (Insurance Company, Third Party Carriers)

This applies to all three OWCP programs: DFEC, DEEOIC and DCMWC.
